

## REMARKS

Claims 30, 41, 46 and 58 have been amended herein. Claims 1-67 remain pending

In the Action claims 1-40 were allowed. Claims 41-67 were indicated to be allowable, but objected to due to a wording inconsistency between claims 41 and 46. The Examiner suggested a modification to claim 41 which has been implemented. The suggestion was much appreciated.

Claims 30, 46 and 58 are being amended to correct typographical errors.

No fee is due.

Further consideration of the claims is requested and it is respectfully submitted that all the pending claims are allowable. The undersigned will be happy to discuss any aspect of the Application at the Examiner's convenience.

Respectfully submitted,
